Black History Month at BHS

In 1988 and 2001, the Bayside Historical Society conducted interviews with older residents of Bayside's Black Community, asking about their memories and chronicling these conversations in two publications entitled:

Bayside Was a Wilderness Then: Voices from Bayside's Black Community (Revisited)

The accompanying exhibit will be available at our Castle tours this month and by appointment. Call 718-352-1548.
